Dear Sir/Madam:

I can think of no better person to serve on the SBA Council on Underserved Communities than Tony Novak.

As the Government Relations Vice President of the NJ Society of CPAs, I have worked with Tony on several projects over the past 15 years. These projects have mostly been concerned with dealing with various lawmakers and government agencies to help with his many initiatives to help the small business community in rural Cumberland County, NJ. My role has always been to provide Tony with guidance on the governmental process and dealing with these government officials.

Tony has been a tireless advocate for the small business community in Cumberland County, which has been in economic decline for quite some time. The amount of time he invests in working with various non-profits to improve their lot is truly amazing.

If you would like to speak to me further about Tony, please don't hesitate to contact me.
